

From the Council President...

It never ceases to amaze me how God continues to bless our ministry at Peace Lutheran Church....

Last month Connie Williamson took the lead on applying for a grant to remodel and upgrade the equipment in the Food Pantry. We received the grant and less than a month later, the work is completed. If you haven't already done so, please stop by and take a look....it looks great! Many thanks to Shalan Ziemianin, our Financial Administrator, for making us aware of the grant and all of the volunteers who made it happen!

Iglesia Rios de Agua Viva is our new covenant congregation that is worshipping at Peace on Friday and Sunday evenings. Their congregation has quickly made a HUGE impact in helping out around the building at our last Property Work Day as well as cleaning up the landscaping around the building. Even better, they have offered to continue to help on future projects!

Another of our covenant congregations, Origin Church, has started worshipping in their new space in Lowell. God is blessing more than just the ministries at Peace! Congratulations to Origin and many thanks to their congregation for their support and partnership with Peace. We look forward to continuing our relationship together in the future.

The Council has been working on other improvements around Peace. Garry Bruch is having our fill speakers in the Sanctuary repaired that were previously not functioning. Eric HYTE is getting estimates on repairs and maintenance for our roof and parking lots. Based on how great the Food Pantry looks, we are also exploring the cost to replace the flooring in the Narthex and offices. More information to come...

Peace,
Zach Swanson
Council President
